BE RE-ELECTED AT THE ANNUAL GENERAL MEETING**

Mr. Shi is deemed to have an interest in the 800,000 underlying Shares of the Company within the meaning of Part XV of the SFO in respect of the Share Options of the Company granted to him.

Mr. Shi does not have relationships with any other directors, senior management, substantial shareholders or controlling shareholders of the Company.

Save for the information disclosed above, there is no information which is discloseable nor is Mr. Shi involved in any matters required to be disclosed pursuant to the requirements under Rules 13.51(2)(h) to 13.51(2)(v) of the Listing Rules and there are no other matters concerning Mr. Shi that need to be brought to the attention of the Shareholders.

The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the grant of the Share Buy-back Mandate.

1. SHARES IN ISSUE

As at the Latest Practicable Date, the total number of issued Shares of the Company comprised 1,110,406,000 Shares.

Subject to the passing of the ordinary resolution set out in item 5 of the notice of the Annual General Meeting in respect of the grant of the Share Buy-back Mandate and on the basis that there will be no change to the total number of issued Shares of the Company before the Annual General Meeting, i.e. being 1,110,406,000 Shares, the Directors would be authorized under the Share Buy-back Mandate to buy back, during the period in which the Share Buy-back Mandate remains in force, a total of 111,040,600 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE BUYBACK

The Directors believe that the granting of the Share Buy-back Mandate is in the best interests of the Company and the Shareholders.

Shares buy-back may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders.

3. FUNDING OF SHARE BUY-BACK

The Company may only apply funds entirely from the Company's available cash flow or working capital facilities which will be funds legally available for such purpose in accordance with its Memorandum and Articles of Association and the applicable laws of the Cayman Islands.

The Directors propose that the buy-back of Shares under the proposed Share Buy-back Mandate would be financed from the Company's internal resources.

4. IMPACT OF SHARE BUY-BACK

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2015) in the event that the Share Buy-back Mandate was to be carried out in full at any time during the proposed buy-back period.

However, the Directors do not intend to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during each of the previous 12 months were as follows:

Month	Highest HK\$	Lowest HK\$
2015 April	3.98	2.50
May	3.86	3.26
June	3.79	3.14
July	3.35	2.55
August	3.45	2.83
September	3.59	3.02

February	3.51	2.93
March	4.33	3.11
April (<i>up to the Latest Practicable Date</i>)	4.28	3.95

6. GENERAL

To the best of the knowledge of the Directors and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the grant of the Share Buy-back Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the grant of the Share Buy-back Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to buy back Shares pursuant to the Share Buy-back Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

7. TAKEOVERS CODE

If as a result of a buy-back of Shares pursuant to the Share Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, according to the register of interests kept by the Company pursuant to section 336 of the SFO and so far as is known to, or can be ascertained after reasonable enquiry by the Directors, the following Shareholders were directly or indirectly interested in 5% or more of the issued Shares:-
